FINANCIAL DEPARTMENT.

CURRENCY NOTES.

Circular No. 1621, dated 7th March 1885.

In modification of this office Circular No. 1564 of the 16th November 1883, which prohibited cut currency notes being received from or issued to the public by Treasury Officers of Districts or Taluks, the Comptroller has the honor to state that during the period of revenue collections when remittances in currency notes are required to be made by Taluks to District Treasuries, and by the latter to the Huzur Treasury by halves, currency notes may be received in halves as before, care being taken to see that the halves bear the same number, &c., but they should in no case be issued to the public unless firmly joined together.

DESTRUCTION OF USELESS TALUK TREASURY RECORDS.

Circular No. 1620, dated 7th March 1885.

The Comptroller finds from a recent enquiry made by the Assistant Comptroller in one of the Taluk Treasuries that numerous useless records have been preserved besides those authorized by this office in Circular No. 1600, dated 10th October 1884, to be destroyed for the years 1878—79 and 1879—80. As they needlessly encumber the record rooms, the Comptroller has the honor to request that District Treasury Officers will call on the Amildars for a complete list of all treasury records belonging to those two years. They should be arranged, and described in the list so as to show clearly the purpose of each class of record and the several lists should then be sent to this office by the Deputy Commissioner with any remarks he may have to make as to the expediency of preserving or destroying them.
